The Society of Decision Professionals (SDP) is pleased to announce the Call for Papers for the \*Young Researcher's Poster Session at the Annual SDP Conference & Workshops, [www.sdpevents.com](http://www.sdpevents.com), celebrating 30 years of conferencing! This year, the conference will take place in the vibrant city of Washington DC at the Hilton Arlington hotel in Arlington, Virginia, from April 15-18, 2024.

\* Young Researcher's encompasses Ph.D. students and early-career professionals (5 years or less) in the field of decision analysis or related disciplines.

### **Mission and Opportunity:**

Aligned with one of our key mission pillars, SDP is dedicated to the education of young professionals in the science of decision-making. We are excited to extend an invitation to Ph.D. students and young researchers in the field of decision analysis (DA) and adjacent disciplines to participate in the Young Researcher's Poster Session. This session offers a unique opportunity to showcase your research, engage in multidisciplinary collaborative discussions, and address unsolved issues in the realm of Decision Science theory and applications.

### **Conference Theme:**

The theme for this milestone conference is "Decision Making in a Dynamic World." We will focus on five key industries: Pharma, Energy, Government, Natural Resources/Sustainability. The Young Researcher's Poster Session aims to contribute fresh perspectives to these dynamic fields.
